Electrolux Dishwashing

Undercounter Dishwashers

The Electrolux Dishwashing range is produced for the customer with highest conceivable demands for good efficiency, economy and ergonomics for dishwashing operation. The product range comprises of glasswashers, undercounter dishwashers, hood type dishwashers, rack type dishwashers, flight type dishwashers and pot and pan washers. The undercounter dishwashers are available with or without drain pump, one phase or three phase electric connection and have a capacity of 30 baskets per hour.

400144

SANITIZATION AND **PERFORMANCE**

- Pressure boiler guarantees rinse quality by providing rinsing water at a temperature superior to 82,5°C (water is supplied at 2 bars and at 50°C).
- 4 second (variable) pause after washing and before rinsing ensures that no drops of unclean water will fall on the clean items at the end of the rinsing cycle.
- Two washing cycles: 1st cycle of 120 seconds for normally soiled items and 2nd cycle of 180 seconds one for heavily soiled
- Washing system with endowed rotating washing arms, high power wash pump, large capacity boiler and tank volume, all together designed for professional washing

with high performance.

HYGIENE AND RELIABILITY

- All the machines have smooth surfaces to facilitate cleaning.
- The fully automatic self-cleaning cycle avoids the risk of bacteria proliferation.
- Front and side panels, door and wash tank made in heavy duty anti-corrosive AISI 304 stainless steel to guarantee appliance durability.
- 304 stainless steel boiler with high welding protection increases the resistance against corrosion with chlorinated water.
- Wash/rinse arms easy to remove.
- PVC water supply hose with metal connections resistant to high water pressure.
- Completely closed on the

reverse by a cover plate while IPX4 water protection prevents external infiltrations.

FLEXIBILITY AND ERGONOMICS

- · Simple control panel with digital display allows on-site personalization of washing and rinsing cycle times and temperatures as well as precise rinse aid and detergent quantities depending on the customers
- Simple service from the front.

Electrolux Dishwashing Undercounter Dishwashers

- The incorporated Soft Start feature offers additional protection to delicate items such as glassware and crockery and increases wash pump reliability.
- Three phase or single phase electrical connection.
- All machines are pre-arranged to accept external dispensers.
- Pre-arrangement for HACCP system implementation and Energy Management device.

- EASY ON THE ENVIRONMENT
- 98% recyclable by weight.
- CFC free packaging.
- In compliance with (€ requirements.
- Low noise level.
- Developed and produced in ISO 9001 and ISO 14001 certified
- * Duration cycles: declared actual cycle duration times can extend when water supply temperature is lower than indicated.
